EXPERIENCE

Bellingcat, Amsterdam, NL

Volunteer Researcher, June 2026 – Present (remote, part-time). Conduct research to update Bellingcat's OSINT digital toolkit.

Internet Archive, San Francisco, CA

Intern, September 2025 – August 2026 (part-time). Maintained records of Internet Archive mentions in a shared database.

OutsidePR, Sausalito, CA

Account Executive, June 2025 – July 2026. Drove earned-media campaigns for The North Face, Diadora, Teva and other outdoor brands, securing multiple placements per launch and holding a 30% pitch-open rate. Built a Python + Google Sheets pipeline that cut weekly reporting time by 40%.

Rhode Island Computer Museum, Warwick, RI

Archival and Research Fellow, October 2024 – July 2025 (part-time). Developed and maintained a digital catalog for a 100,000 square foot collection of computer technologies. Secured a Rhode Island Humanities \$2,000 grant to spearhead a digital preservation project. Developed an interpretive website chronicling the history of data storage.

91.9 KCSB FM, Santa Barbara, CA

Archives Director and Assistant Program Director, June 2021 – August 2024 (part-time). Led digital transformation of operations and managed a large team. Designed and deployed the first-ever OMEKA-S digital archive for a college radio station. Led the preservation and digitization of over fifty degrading archives using LAMP stack architecture. Authored technical documentation and integrated UI/UX design and Google Analytics.

VOLUNTEER SERVICE

[SexInfoOnline.com](https://sexinfoonline.com), Santa Barbara, CA

Outreach Director, October 2022 – June 2024. Led the creation of sexual health content, ensuring adherence to HIPAA and ethical content guidelines. Managed a team of content creators.

SELECTED RESEARCH

Barbareño Chumash Linguistics (Dr. Marianne Mithun), June 2024 – September 2024 (applied computational and linguistic methodologies to transcribe and transliterate texts, creating a searchable digital corpus for endangered language preservation)

Feminist Approaches to Pornography (Dr. Mireille Miller-Young), September 2023 – December 2023 (examined legal frameworks surrounding freedom of expression and ethical implications of content regulation)

Evolution of Repression in 21st Cen. (Dr. Kai Thaler), March 2023 – June 2023 (conducted targeted research on protest movements and state repression to inform analyses of organizational responses)

Political Violence Lab (Dr. Andrew Shaver), June 2022 – August 2022 (analyzed global political violence data and co-authored a paper examining how media coverage shapes public policy and legal discourse)
